UPDATE:

CACPS REMOTE LEARNING POLICY

Additions, October 2020

• Students should have their video on while participating in live learning. Teachers should use discretion in dealing with connectivity issues, screen breaks, and individualized privacy concerns.
• Live classes with less than 10 students may have 1 adult in the space.
• While “public” home spaces are preferred, students may choose to learn in any space in their home.

• Grading Policy Updates:
  • If a student is not in class but submitting work via asynchronous learning:
    • Student can only earn a 2.5 on the submitted work
  • If a student is logged in but not by their computer/able to be called on
    • Marked absent- same as not in class
  • If a student is in class, engaging, but don't do submittable work (pieces of work)?
    • Students should get HoS credit only for live learning time
    • If they do work later on google classroom- can only get 2.5
  • Retakes
    • Summatives can be retaken
    • Formative retakes are at the discretion of the teacher
  • What actual number do you enter for missing?
    • Grade the standard, if not attempted, record as a 1
    • Use the score column to mark the assignment as missing
    • Parents and students can see this on score portal
• Students are to be in physically “public” home spaces while in live learning (e.g. living room, kitchen, bedroom with door open, etc.).

• Students and staff are to use professional language (no cursing, name calling, etc.).

• Attendance for live learning will be taken in PowerSchool and reviewed by Administration weekly.

• Students are to be present for entire class periods, students will be marked tardy if arriving to live learning more than 10 minutes past start time.
  o If a student is experiencing technical difficulties, they should reach out to staff immediately. As long as difficulties are appropriately reported and class work is completed, the student will be marked present.
  o If a student is logged on but does not interact with the course (no video, sound, or completed work) the student will be marked absent.

• There is no taking photos or videos of teachers or students during live learning.

• All chats should be set to public only, no private chats between students in live learning spaces.

• Students must have video on or participate with audio and name displayed. If special circumstances are presented to the teacher, the teacher has discretion to allow no video.

• All staff will have video and audio on while instructing students.

• Students must use their full name or first name and last initial (for attendance purposes) as their label in order to be included in live learning.

• There will always be 2 adults in live learning experiences.

• It’s leading live learning have the authority to remove a student from live learning for not following the norms. If removed, follow up will come from the Dean and/or Principal and work will need to be completed alternately. After 3 removals, the student will no longer have access to live learning and the Dean and/or Principal will develop an alternate plan.

• Students will be graded on both synchronous and asynchronous experiences, as determined by instructional staff, and grades will be updated weekly. Grading will be consistent with traditional, in school, plans and done following a standards based system.

• Reports will be mailed to families, following the dates on the 20-21 calendar for both progress and final report cards.
