Welcome K1 and K2

New Codman Staff/ Important Dates

Remote Learning Policies

Grab-and-Go from the Kitchen

Re-Opening Plans
Our littlest learner’s started the week off with a bang. New faces and returning friends were so excited to log on and get the year going. Week one finished and they have already begun to grow.

Though she be but little, she is fierce.
-William Shakespeare
Codman’s Newest Crew

Dieu Ho
Dean of College and Career Advising

Gabe Kies
Tutor

Mirlande Thermidor
Assistant Teacher K2

Liz Panneton
Art Teacher

6pm-8pm

October 12th: No Classes
Indigenous People day

October 13th: Parent Council (K1-8 5:00pm, 9-12 6:00pm)
CACPS 2020 REMOTE LEARNING POLICIES

• Students are to be in physically “public” home spaces while in live learning (e.g. living room, kitchen, bedroom with door open, etc.).
• Students and staff are to use professional language (no cursing, name calling, etc.).
• Attendance for live learning will be taken in PowerSchool and reviewed by Administration weekly.
• Students are to be present for entire class periods, students will be marked tardy if arriving to live learning more than 10 minutes past start time.
  o If a student is experiencing technical difficulties, they should reach out to staff immediately. As long as difficulties are appropriately reported and class work is completed, the student will be marked present.
  o If a student is logged on but does not interact with the course (no video, sound, or completed work) the student will be marked absent.
• There is no taking photos or videos of teachers or students during live learning.
• All chats should be set to public only, no private chats between students in live learning spaces.

• Students must have video on or participate with audio and name displayed. If special circumstances are presented to the teacher, the teacher has discretion to allow no video.
• All staff will have video and audio on while instructing students.
• Students must use their full name or first name and last initial (for attendance purposes) as their label in order to be included in live learning.
• There will always be 2 adults in live learning experiences.

• The adults leading live learning have the authority to remove a student from live learning for not following the norms. If removed, follow up will come from the Dean and/or Principal and work will need to be completed alternately. After 3 removals, the student will no longer have access to live learning and the Dean and/or Principal will develop an alternate plan.

• Students will be graded on both synchronous and asynchronous experiences, as determined by instructional staff, and grades will be updated weekly. Grading will be consistent with traditional, in school, plans and done following a standards based system.

• Reports will be mailed to families, following the dates on the 20.21 calendar for both progress and final report cards.
GRAB-AND-GO FROM THE KITCHEN

Codman will provide breakfast and lunch to all students while the school remains closed. Our staff will be providing “grab-and-go” bagged breakfast and lunch at the Upper School located at 10 Epping Street, Dorchester.

To pre order your meal please leave a message on the school’s voicemail at 617-287-0700 ext. 101 leaving your child’s name and the number of meals requested. Families will be able to pick up meals daily, Monday through Friday, from 11am –1pm.

For additional food needs you may also reach out to our Social Worker, Raika Nasirullah at rnasirullah@codmanacademy.org, (954) 552-1641.
What Should I Expect for Reopening?

On August 13th we submitted our Board of Trustees approved **Re-opening Plan** to the Department of Elementary and Secondary Education. The required plan includes a model for remote learning, hybrid learning, and a full in person learning model. These models were developed and reviewed by our teams with a focus on what’s best for our students- **physical health, education, and emotional well-being**. While we hope to return to in-person learning soon, we will begin the year with **remote learning**.

We appreciate the work you have done to ensure your student is able to continue growing as we navigate change. Please continue to communicate with us about your specific needs. Our goal is to ensure that all Codman scholars are actively engaged in powerful learning experiences starting on day one!
