Do you follow us? You Should!

This year, Codman is celebrating 20 years of providing a transformative education that prepare students for success in college, further education, and beyond. Keep an eye out for #WaybackWednesday posts, interviews, and stories about Codman through the years on Instagram @codmanacademy #LearnLeadServe #codmanyear20
HABIT OF SCHOLARSHIP

This week's Habit of Scholarship goes to Shawn for EFFORT in planning an impressive and interactive Science lesson and his student, Nia S., for effort throughout the Science class. The lesson was on heart rates in which adults had to run in place and the students kept the time.

Zoom Link
(9-12 6pm)
Charter Renewal Visit
Focus Group

Every 5 years the Department of Elementary and Secondary Education (DESE) analyzes our school’s performance to determine whether to renew our charter for 5 more years. As part of the renewal process DESE holds focus group meetings with families to learn more about the family experience at Codman.

Each focus group will include parents or guardians whose children represent a variety of ages, grade levels, abilities and time spent at Codman Academy.

If you are interested in participating please fill out the form below and more information will be sent to you. Thanks in advance.

Renewal Interest Form
The Codman Square Health Center is opening its doors to the community for flu vaccine shots. Please see the steps below:

- Codman's flu clinic is now open Monday, Wednesday and Thursday, 5pm-9pm and Saturday, 9-12:30pm
- If you want to get flu shots during this scheduled time, you must call 617-825-9660 (main number) to schedule an appointment.
- You DO NOT have to be a registered patient to get the flu shot!

- Please bring your insurance cards if you are not a registered Codman patient.
- If you are a patient at Codman, and have a scheduled visit, you can receive your flu shots during that visit (you do not have to make a separate appointment).
- If you are interested in becoming a registered patient at Codman Square Health Center, it is a really easy process.

Codman is also working on a walk-in process and we will update you when that option is available.
