Hello Codman Families,

We hope that you and your family are safe and healthy! We will be able to open the school to students with limited access to the building. Students will be able to go to their lockers to retrieve personal belongings, during the week of June 8th - June 12th between the hours of 10:30am - 12:30pm. Any items left in the lockers after June 12th will be discarded. Students will not be allowed to enter any classrooms or office space. For the safety of all and social distancing we will be limiting the number of people in the building and allowing fifteen minutes for each student to go to their lockers. Please email Vanessa Dorestal at vdorestal@codmanacademy.org to schedule a day and time for your child to pick up their personal belongings.

When entering the school students/families will be required to have their temperatures checked at the main office, wear masks and follow social distancing while in the building. For the safety of everyone we ask that you do not enter the building if you are experiencing the following symptoms.

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

Please stay safe and we hope to see you all soon.
